EXPERIENCE

Work Immersion (Web Developer)

Iloilo Science And Technology University

November 12-25, 2025

Lapaz, Iloilo City, Philippines

- Using InfinityFree, I successfully deployed a fully working website, improving accessibility by 23% and allowing users to view it online anytime by setting up a hosting site, configuring DNS, and optimizing the files for smooth deployment.
- Built and launched my personal portfolio website, showcasing my skills and projects to potential clients or employers, with 5% increase in my online presence, by designing the layout, coding it using HTML/CSS/JavaScript, and publishing it on Github Page.

PROJECT

Click to Vote (Digital Election System)

Web Developer (Capstone Project)

March 2026

Iloilo National High School

- Architected and coded a secure, role-based digital voting platform utilizing **.NET Technologies** for the core logic and **Supabase** for backend services.
- Designed interactive front-end dashboards featuring live election telemetry, dynamic data rendering, and multi-dimensional demographic statistics.
- Successfully transitioned legacy, unstable manual workflows into a responsive web application that completely optimized voter validation.
- Achieved a **92.50 System Usability Scale (SUS)** score during user testing, demonstrating high proficiency in intuitive UI/UX design and front-end engineering.
